- Incentivise customers by publishing vouchers for easy download or print
- Exclusive rights to be part of **Charger Points**, a collaboration to attract customers with mobile phone charging on your premises
- Feature you in localised collaborative marketing to residents + businesses

### and more...

- Have your own digital loyalty stamp card to encourage repeat custom
- DinnerData & DishDup! Table Booking enables easy online booking requests
- Be more profitable with DinnerData Online Ordering Solutions

### and more to come...

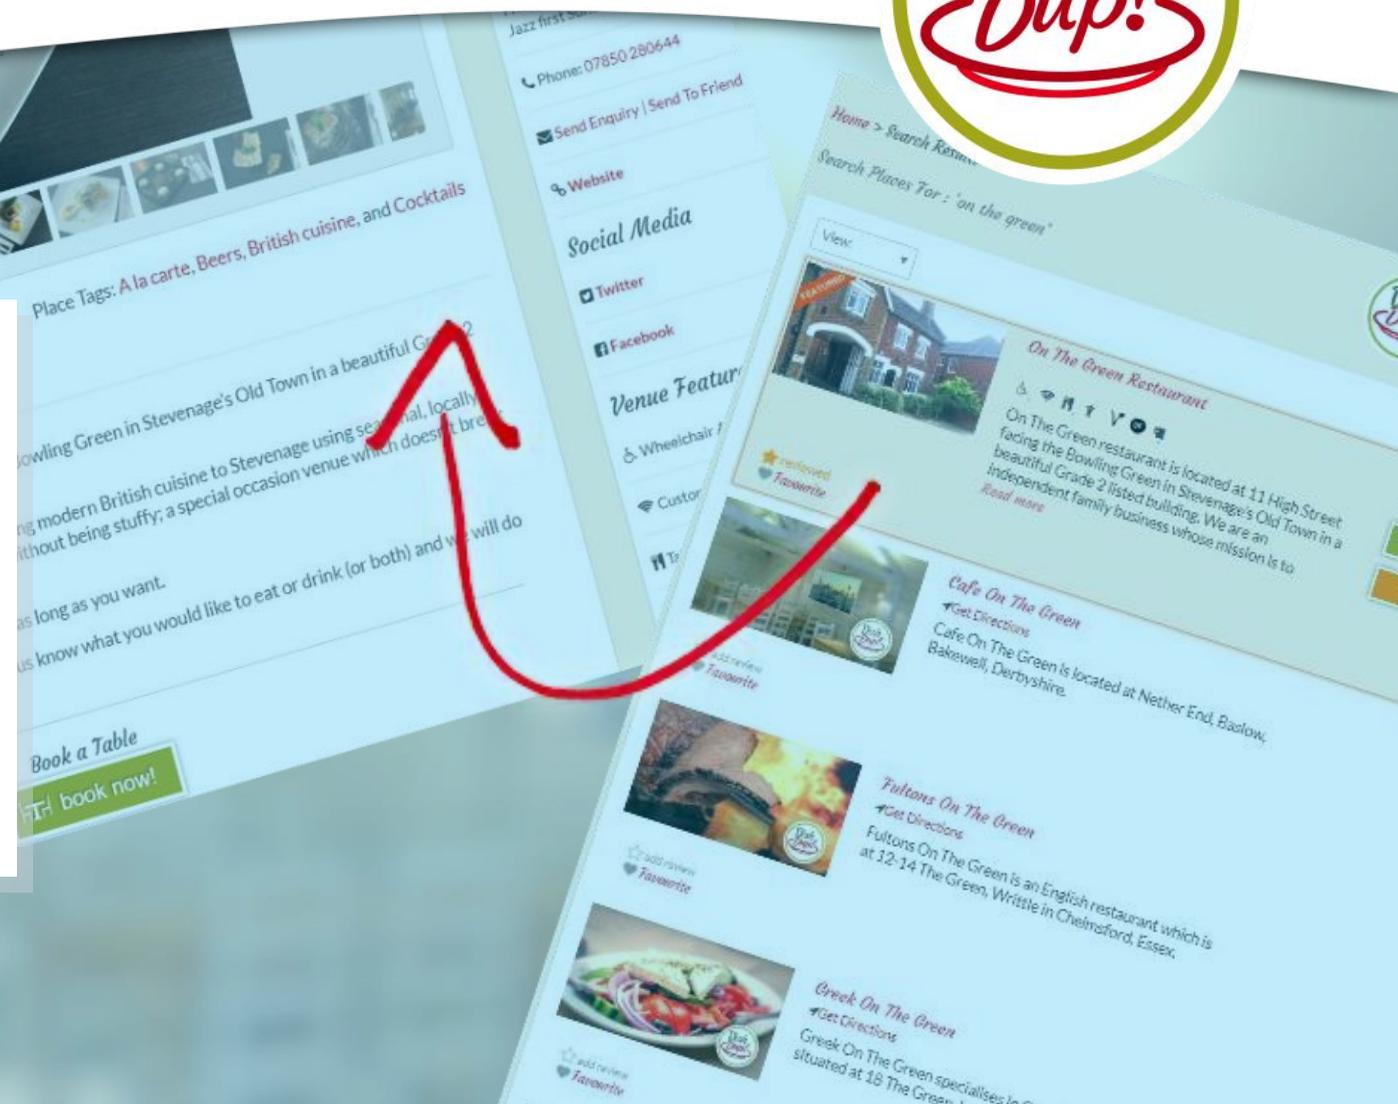

- Get discounts on selected third party products and services through our online Trade Area (coming soon)
- Expand your business - sell your products 24/7 through our online ecommerce Marketplace (coming soon)

Learn more: [venues.dinnerdata.co.uk](http://venues.dinnerdata.co.uk)

For starters, your venue's **Featured Profile** will include an in-depth description, multiple images, website & social media links, opening hours, offers, book a table, online ordering buttons and more...

Your **Featured Profile** promoted extensively in DinnerData & DishDup!

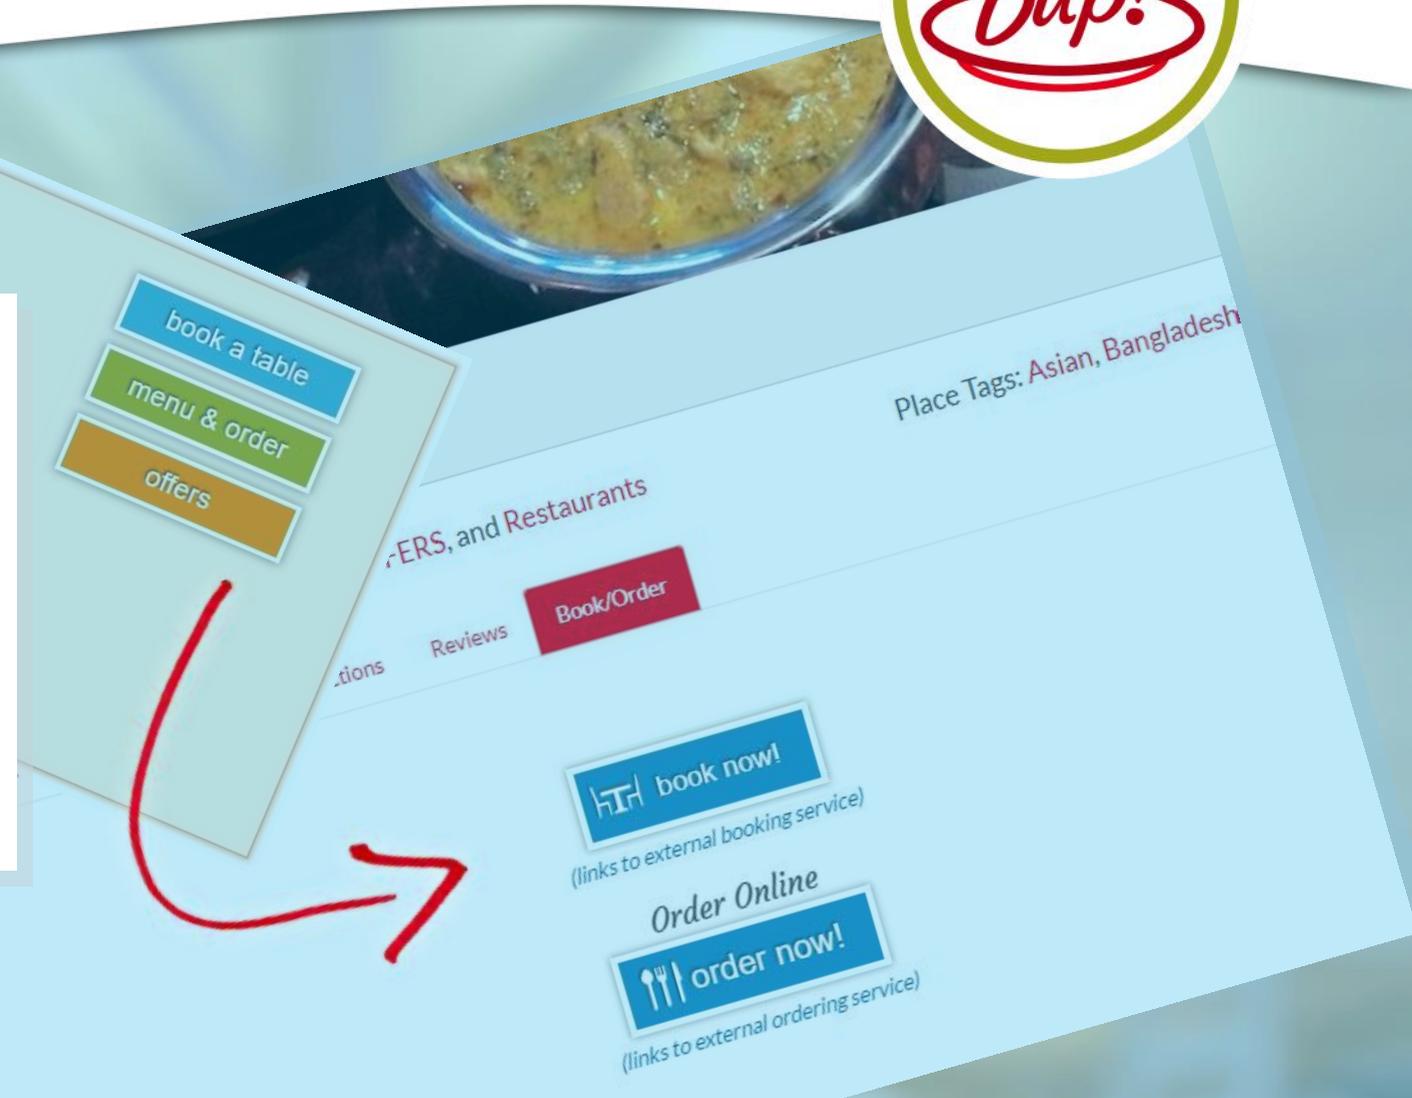

Your Profile includes an *Offers* tab where we promote the offers you want to showcase. You can edit these yourself, or we can do it for you.

Customers easily access your offers from DinnerData search results

If you already have a **table booking** and/or **online ordering service**, we can link to them from the **Book** and **Order** tabs.

If you don't, then DinnerData has booking and ordering solutions available.

Visitors can connect to your services from your DinnerData Profile

DinnerData enables you to promote vouchers for users to print or download from the DinnerData website.

You choose what you want your vouchers to be, we don't dictate - it's your business.

Users download or print YOUR DinnerData vouchers

We regularly promote member venues in local magazines including exclusive coupons/vouchers.

Raise your profile and encourage new and repeat business.
